Hear more from our students

"The course I studied at ACBI has been very useful! I already have a full-time job lined up in sustainability starting in October! I can't wait to get started and apply what I have learned."

Max Klay

"I want to thank all the members of ACBI especially the academic support, student support and my teacher Emilia, whose professional and student-focused teaching methods greatly enhanced my learning experience. I am delighted with the new skills I have gained and look forward to applying them in my future endeavours."

Kathien Diaz

"Having successfully completed study at ACBI earlier this year, I can attest to the course relevance and comprehensiveness. I knew very little about sustainability, but now have a much clearer understanding of the reporting requirements as well as the context in which it exists. "

Diploma of Artificial Intelligence

COMMITTED TO STAYING AHEAD

As industries rapidly embrace artificial intelligence, there has never been a better time to build a solid foundation in AI. Gaining a clear understanding of core AI principles and how to apply them in real-world contexts can give you a powerful advantage in today's evolving job market.

Whether you work in sales, marketing, customer experience, human resources, or leadership, developing AI literacy can boost your productivity, sharpen your decision-making, and ensure you use these technologies ethically and strategically.

DELIVERY MODE
On Campus

As companies across industries race to integrate AI into their offerings, now is the perfect time to pursue a Diploma in Artificial Intelligence and stay ahead of the curve. This comprehensive course covers core AI principles. You'll gain hands-on experience with practical tools and techniques that can be applied directly in your workplace.

This qualification will enhance your ability to leverage AI to improve efficiency, make informed decisions, and drive innovation, all while ensuring ethical and responsible use of these powerful technologies.

CAREER OPPORTUNITIES

This qualification is designed to enhance your current skill set and learn how to better use Artificial Intelligence, regardless of position or industry. You may also wish to navigate into a more AI-focussed role such as one of the below:

- Data and AI Sales Specialist
- AI Optimisation (AIO) Writer
- AI Customer Experience Manager

ENTRY REQUIREMENTS

Our entry requirements for this qualification include:

- Initial assessment of the applicant's individual learning needs and Language, Literacy, Numeracy, and Digital (LLND) skills to determine course suitability.
- Completed Australian Year 12 or equivalent
- IELTS 6.0 English language equivalence for non-native English speakers
- Be aged over 18 for International Students.

WHAT YOU WILL LEARN

- Develop practical skills using AI tools to enhance business efficiency.
- Understand ethical considerations and responsible deployment of AI technologies.
- Gain industry-relevant competencies aligned with current AI demands.
- Use AI to create engaging content
- Analyse business data using AI techniques to make forecasts.
- Identify opportunities to integrate AI into business operations.

See what you will study

Your student experience

Studying at ACBI is more than attending classes - it's about becoming part of a vibrant community where people from all over the world come together with one goal: to create their future. Every day on campus you'll find opportunities to connect, share experiences, and grow, both personally and professionally.

We host frequent social and professional development events that bring students together, helping you build networks and grow social connections.

You'll learn directly from real industry professionals who share their expertise and insights, ensuring your education is practical and career-focused. By fostering strong connections with peers, trainers, and industry, we help create pathways to real job opportunities.

Together, we're not just studying for today - we're building a future, together.

Our campus

ACBI's campus is conveniently located in the heart of Sydney's CBD – only a 6 minute walk from Sydney's Central Station. You will find an array of cafes, parks, shopping destinations and more conveniently located around the campus.

CAMPUS FACILITIES

- High speed WIFI
- Student community areas
- Table Tennis & other student activities
- Computers for student use - Apple & PC
- Student kitchen facilities
- Air conditioning
- Library

DIVERSE STUDENT CULTURE

ACBI is proud to host a truly global student community, with learners from over 60 different nationalities. Our diverse cohort includes students from Asia, Latin America, Europe, and beyond creating a dynamic and inclusive learning environment.

How to apply

1

SUBMIT YOUR APPLICATION: Submit an application through our online portal: www.acbi.edu.au

2

RECEIVE YOUR LETTER OF OFFER: Our admissions team will review your application and assess your prior experience, LLND skills, and English language proficiency to ensure you meet all relevant entry requirements. If approved, you will receive a Letter of Offer and an Enrolment Acceptance Agreement, which includes important pre-enrolment information.

3

ACCEPT YOUR LETTER OF OFFER: After reviewing your Letter of Offer and pre-enrolment information, sign and return it to confirm your acceptance of the offer and the Terms and Conditions. You may then proceed with the initial payment to finalise your enrolment information.

4

RECEIVE YOUR CONFIRMATION OF ENROLMENT: Once our admissions team receives your signed Letter of Offer and initial payment, you will be issued your formal Confirmation of Enrolment (CoE). Our Student Support team will then contact you with important orientation details.

5

APPLY FOR YOUR VISA: We'll send you a welcome letter confirming your course and necessary details. You'll also receive an electronic Confirmation of Enrolment document (eCOE) to apply for your student visa. You can then apply for your visa to travel to Australia via the Australian Department of Home Affairs.

For more information about enrolment, entry requirements, or general enquiries, get in touch with us at:
