“The course I studied at ACBI has been very useful! I already have a full-time job lined up in sustainability starting in October! I can’t wait to get started and apply what I have learned.”

Max Klay

“I want to thank all the members of ACBI especially the academic support, student support and my teacher Emilia, whose professional and student-focused teaching methods greatly enhanced my learning experience. I am delighted with the new skills I have gained and look forward to applying them in my future endeavours.”

Kathien Diaz

“Having successfully completed study at ACBI earlier this year, I can attest to the course relevance and comprehensiveness. I knew very little about sustainability, but now have a much clearer understanding of the reporting requirements as well as the context in which it exists. “
