# Hear more from our students

“The course I studied at ACBI has been very useful! I already have a full-time job lined up in sustainability starting in October! I can’t wait to get started and apply what I have learned.”

**Max Klay**

“I want to thank all the members of ACBI especially the academic support, student support and my teacher Emilia, whose professional and student-focused teaching methods greatly enhanced my learning experience. I am delighted with the new skills I have gained and look forward to applying them in my future endeavours.”

**Kathien Diaz**

“Having successfully completed study at ACBI earlier this year, I can attest to the course relevance and comprehensiveness. I knew very little about sustainability, but now have a much clearer understanding of the reporting requirements as well as the context in which it exists. “

**Karina Graham**

# Sustainability

## **11130NAT**

Certificate IV in Environmentally Sustainable Management

## **MSS50122**

Diploma of Sustainable Operations

## **AHC60422**

As humans, we play a crucial role in protecting the environment, and, ultimately, the planet.

Green skills are being increasingly sought after by employers. By studying the Certificate IV in Environmentally Sustainable Management, you will develop key skills in reducing carbon footprints, managing waste, improving energy efficiency, developing environmental management plans and more.

## CAREER OPPORTUNITIES

- Environmental Manager
- Sustainability and Climate Change Officer
- Sustainability Project Officer
- Environmental and Sustainability Coordinator
- Work Health Safety & Environment (WHSE) Manager
- Sustainability and Environmental Officer

## ENTRY REQUIREMENTS

Our entry requirements for this qualification include:

- Initial assessment of the applicant's individual learning needs and Language, Literacy, Numeracy, and Digital (LLND) skills to determine course suitability.
- Completed Australian Year 12 or equivalent
- IELTS 6.0 English language equivalence for non-native English speakers
- Be aged over 18 for International Students.

## WHAT YOU WILL LEARN

- Understand principles of environmental sustainability and ecosystems.
- Develop strategies to manage natural resources responsibly and mitigate environmental impact.
- Monitor and evaluate sustainability performance and ensure regulatory compliance.
- Learn how to source sustainable resources and review their effectiveness.
- Be able to use critical thinking to recognise limitations in workplace practices and produce innovative solutions.

**CRICOS CODE**  
112566H

**DURATION**  
Full Time: 78 Weeks

**DELIVERY MODE**  
On Campus

The Diploma of Sustainable Operations is a nationally recognised qualification designed for those seeking the skills to lead and improve sustainability performance within organisations. You'll learn to measure and manage carbon footprints, implement sustainable practices, and drive environmental responsibility. Graduates are equipped with the practical knowledge to create measurable change, helping businesses meet sustainability targets and adapt to evolving environmental standards.

## CAREER OPPORTUNITIES

- Sustainability Officer
- Environmental Consultant
- Sustainability Project Officer
- Environmental and Sustainability Coordinator
- Work Health Safety & Environment (WHSE) Manager
- Sustainability and Environmental Officer

## ENTRY REQUIREMENTS

Our entry requirements for this qualification include:

- Initial assessment of the applicant's individual learning needs and Language, Literacy, Numeracy, and Digital (LLND) skills to determine course suitability.
- Completed Australian Year 12 or equivalent
- IELTS 6.0 English language equivalence for non-native English speakers
- Be aged over 18 for International Students.

## WHAT YOU WILL LEARN

- Implement sustainable business practices and operational strategies.
- Analyse organisational processes to improve environmental outcomes.
- Develop and monitor sustainability policies in line with industry standards.
- Learn to plan, implement and monitor energy management.
- Gain skills to lead circular economy initiatives in the supply chain.

118158J

**DURATION**  
Full Time: 52 Weeks

**DELIVERY MODE**  
On Campus

Gain the advanced skills and knowledge needed to lead and manage conservation projects that protect Australia's unique natural environments. This nationally recognised qualification prepares you for senior roles in ecosystem restoration, biodiversity conservation, land management, and natural area planning. Ideal for those already working in the field or seeking to move into leadership positions, the course combines technical expertise with strategic planning and project management to make a lasting impact on the environment.

## CAREER OPPORTUNITIES

- Conservation Project Manager
- Natural Resource Manager
- Ecological Restoration Specialist
- Landcare Coordinator
- Environmental Consultant
- Biodiversity Officer

## ENTRY REQUIREMENTS

Our entry requirements for this qualification include:

- Initial assessment of the applicant's individual learning needs and Language, Literacy, Numeracy, and Digital (LLND) skills to determine course suitability.
- Completed Australian Year 12 or equivalent
- IELTS 6.0 English language equivalence for non-native English speakers
- Be aged over 18 for International Students.

## WHAT YOU WILL LEARN

- Plan and manage ecological restoration projects and conservation programs.
- Apply scientific and practical knowledge to protect biodiversity and ecosystems.
- Evaluate policy, compliance, and community engagement for sustainable outcomes.
- Develop workplace policies and procedures for environment and sustainability.
- Learn to develop monitoring, evaluation and reporting programs.

# Our campus

ACBI's campus is conveniently located in the heart of Sydney's CBD – only a 6 minute walk from Sydney's Central Station. You will find an array of cafes, parks, shopping destinations and more conveniently located around the campus.

## CAMPUS FACILITIES

- High speed WIFI
- Student community areas
- Table Tennis & other student activities
- Computers for student use - Apple & PC
- Student kitchen facilities
- Air conditioning
- Library

## DIVERSE STUDENT CULTURE

ACBI is proud to host a truly global student community, with learners from over 60 different nationalities. Our diverse cohort includes students from Asia, Latin America, Europe, and beyond creating a dynamic and inclusive learning environment.

# How to apply

1

**SUBMIT YOUR APPLICATION:** Submit an application through our online portal: [www.acbi.edu.au](http://www.acbi.edu.au)

2

**RECEIVE YOUR LETTER OF OFFER:** Our admissions team will review your application and assess your prior experience, LLND skills, and English language proficiency to ensure you meet all relevant entry requirements. If approved, you will receive a Letter of Offer and an Enrolment Acceptance Agreement, which includes important pre-enrolment information.

3

**ACCEPT YOUR LETTER OF OFFER:** After reviewing your Letter of Offer and pre-enrolment information, sign and return it to confirm your acceptance of the offer and the Terms and Conditions. You may then proceed with the initial payment to finalise your enrolment information.

4

**RECEIVE YOUR CONFIRMATION OF ENROLMENT:** Once our admissions team receives your signed Letter of Offer and initial payment, you will be issued your formal Confirmation of Enrolment (CoE). Our Student Support team will then contact you with important orientation details.

5

**APPLY FOR YOUR VISA:** We'll send you a welcome letter confirming your course and necessary details. You'll also receive an electronic Confirmation of Enrolment document (eCOE) to apply for your student visa. You can then apply for your visa to travel to Australia via the Australian Department of Home Affairs.

For more information about enrolment, entry requirements, or general enquiries, get in touch with us at:

1300 23 77 41 or [info@acbi.edu.au](mailto:info@acbi.edu.au) [acbi.edu.au](http://acbi.edu.au) or Level 5, 451 Pitt St, Sydney NSW 2000

# 5 Reasons to study with ACBI

## DEDICATED TRAINERS

Be supported by enthusiastic and encouraging trainers. At ACBI, our trainers bring not only strong academic and teaching qualifications but also valuable industry experience. You'll learn how to apply theory directly to the real-world work environment.

## NATIONALLY RECOGNISED QUALIFICATIONS

ACBI's qualifications are recognised across all Australian states and territories. Whether you choose a Certificate III, Certificate IV, Diploma, or Advanced Diploma, you'll graduate with a credential that is respected and valued by employers nationwide.

## BE SUPPORTED WHILE YOU STUDY

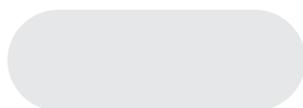

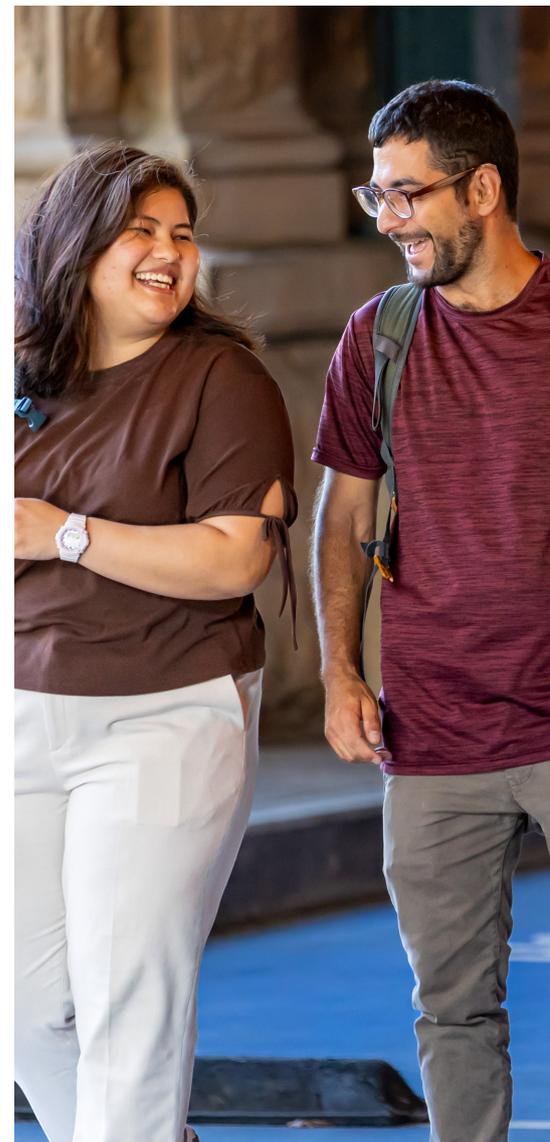

When you study at ACBI, you'll have ongoing support to help you achieve your study goals. We also offer free professional development sessions on a regular basis, designed to build your skills in areas such as reporting, writing, and interview techniques.

## FLEXIBLE PAYMENT OPTIONS

We provide a range of flexible payment options to suit your needs. You can pay upfront or spread the cost over a number of instalments. Speak with one of our course advisors to find the option that works best for you.

## CENTRAL SYDNEY LOCATION

Located in the vibrant heart of Sydney, ACBI is close to major transport links, cafes, shops, and cultural landmarks. Our central campus gives you the convenience of city life alongside access to part-time work opportunities, industry connections, and an exciting student lifestyle.
